

HOW TO SET OUT YOUR TOTERS

All trash/recycling must be out by 11:59 p.m. The night before your pickup day. If your trash is not out, it will not be picked up until your next scheduled pickup day. All trash containers must be placed next to the street, with the handles towards the house.

All totes must be easily accessible and 4' from each other or any objects including mailboxes.

All trash must be canned, boxed, bagged, or bundled. Please, no loose trash, no cans or bags over 35 lbs. If it is too heavy for one man to lift, it will not be taken.

Trash must be contained within the toter and not overflowing or spilling out.

The trash limit is 95 gallons of trash weekly per paying customer.

Trash must be from your house only. No extra trash from friends, neighbors, relatives, or personal businesses. (Each trash tote holds 95 gallons.)

Extra Garbage

Your monthly rate does not cover the collection of garbage that does not fit easily in your toter when the lid is closed. If you need extra garbage bags, they can be purchased at your local municipality office or Southampton Township Trash Office located at 200 Airport Road, Shippensburg, PA 17257. Phone (717) 532-9646 Ext. 102, email twptrash@southamptonwp.com.

Correct Placement
Spaced 4' apart.

Overflowing and **will not be picked up.**

Too close to objects and not properly spaced.
Will not be picked up.
