

Pennsylvania State Police Troop H, Carlisle

The members of the Pennsylvania State Police, Troop H, Carlisle Station, would like to remind motorists to be cognizant of the return to school by students and staff. In the interest of safety, we will be enhancing our monitoring and enforcement of speed limits around schools. Students, staff, and parents should also be aware that an increased presence of uniformed members, in both marked and unmarked patrol vehicles, will be seen in school areas, around events, and within parking lots throughout the school year.

Additionally, surveillance of school buses and subsequent enforcement actions will be taken against motorists failing to stop and obey school bus flashing lights and controls. Routinely students will be gathering around bus stops, crossing roadways, and at times possibly rushing to get to their bus arrival point or departing from their bus toward their homes after school. Motorists share a tremendous responsibility to be aware, be safe, and be ready to stop!

Community members are asked to be diligent in their efforts to report any observed unusual activity at or around school bus stops. Parents should discuss and enact a plan to ensure an adult is always present at bus stops for both student arrivals and departures. Suspicious vehicles and individuals can be reported to the State Police in Carlisle by calling 717-249-2121.

We all must do our part to keep our students safe.
