PLANNING: Snyder (Asper Rd): PC met with engineers for the Intensive Ag operation that Snyder is planning for Asper Rd. Many items need to be looked at and changes made before another meeting can happen. FPR Regulations- House bill 586 & 587 have passed now tightening the application process, making it more restrictive.

SOLICITOR: Center Rd lot: As per original subdivision plans – Lot 2 cannot be a building lot. The lot can only be conveyed as a lot addition. KPI has stopped the review. BOS has closed the request for the lot.

ROADMASTER: Storm cleanup from July 4 – A big thank you to all that stepped in to help with the cleanup. Due to the mower being down, we rented a mower to finish out the mowing in LMT. Issues with that mower caused us to not be able to finish – waiting on parts to continue. Asper Rd debris still needs more cleanup
